CUSTOM PLANTERS

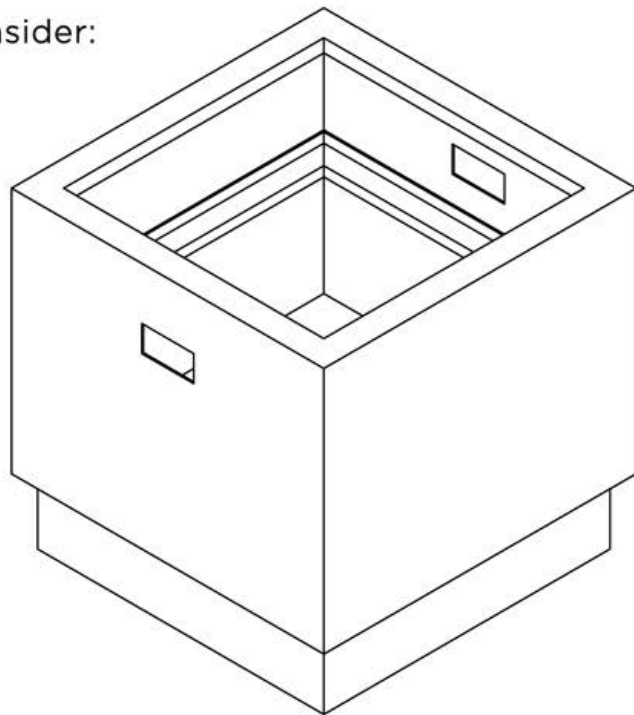

We offer a large selection of indoor and outdoor modern planters for professional landscape design and beyond.

Through our materials knowledge we can confidently design and manufacture planters made from aluminum and corten steel. We offer all of our customers an exclusive timeline that includes a 12-day turnaround option (within a limited project scale).

In addition to size, shape and color, you're able to fully tailor your planter to your imagination.

Here are a few options to consider:

- Bottom Kick
- Castors
- Drainage Pan
- Lighting
- Electrical Boxes
- Speakers
- Cutouts
- Engraving
- Trellis
- Doors
- Insulation
- False Bottoms
- Internal Shelves
